Meeting Agenda

- Note: Meeting plans for 20 May fell through as Ahmed could not attend.
 - Discuss Auckland City Council contract.
 - Discuss M2 usability test.
-

7. Approval of minutes of last meeting

- 7.1. The group is in agreement that the minutes of the last meeting are an accurate record.
-

8. Status of prior meeting arrangements

- 8.1. Jason and Josh shared information about Group Meeting 9 with the rest of the group.
 - 8.2. The project research phase has not begun as Ahmed has decided to change the project plan.
 - 8.3. Ahmed has not yet provided a user description for M2 interactive.
-

3. Discussion of Project Development

- 3.1. Auckland City Council want a 'wayfinding' application that leverages AR.
 - 3.1.1. Real-time updatability
 - 3.1.2. Data deployment and storage are of paramount importance.
 - 3.1.3. 2D content (markers) not 3D content.
 - 3.1.4. Most have smooth and responsive UI.
 - 3.1.5. GPS located markers, not building recognition.
 - 3.2. Jason, Paul and Josh are performing a usability test on M2 app.
 - 3.2.1. Focus on user engagement (how long they use the app for)
 - 3.2.2. Known faults: Hard to scan markers, content load time is too long, user interest is poor, UI is badly crafted (bad wording, too simple, vague button names).
-

4. Meeting Arrangements

- 4.1. Jason, Josh and Paul will perform the usability test of the M2 app and report findings.
 - 4.2. Ahmed and Alexis will provide info about Council app
 - 4.3. Jason will talk to Anne about changing the direction of the project to accommodate for the council contract.
-
