Meeting Agenda

- The group will meet the client (Ahmed Almukhtar - Luminary Promotions).
 - The client will explain the intentions of the project to the group.
 - Roopak will discuss the project process with the client.
-

7. Approval of minutes of last meeting

- 7.1. The group is in agreement that the minutes of the last meeting are an accurate record.
-

8. Status of prior meeting arrangements

- 8.1. Jason arranged today's meeting, shared the group's contact information and added Roopak to the group Facebook page.
-

3. Discussion of Project Development

- 3.1. The project scope is flexible and will depend heavily on our input; we are making a platform for Augmented Reality content; we will not be producing the content.
- 3.2. Development will likely take place in Unity and/or Euphoria.
- 3.3. We will potentially deploy the application on iOS and Android.
- 3.4. Some 3D content may be purchasable on Unity if needed.
- 3.5. Luminary have UX designers that will be able to assist us.
- 3.6. Some preexisting AR apps may need to be researched (US and UK apps, meta.io).
-

4. Meeting Arrangements

- 4.1. Jason is to arrange a time and date for the project proposal presentation.
- 4.2. Josh will set up a meeting room for Friday's meeting.
- 4.3. Sean will upload the recording of the meeting to the group's Facebook page.
- 4.4. Group members should download Luminary's M2 application.
-

5. Adjournment of Meeting

- 5.1. There being no other business, the meeting was adjourned at 01:05 pm.
-

6. Next Meeting
