

Mid-project Progress Reviews

S2 2015

Goals for Today

- Understand the rationale and requirements for Status reports and mid-project review interview.
- FAQ What concerns you? What don't you know?
- Consider an example of what is required.

Some Questions

- *Why do we have mid-project reviews?*
- *Where can you find the requirements for your mid-project review?*
- *How much does it contribute to your project grade?*
- *What does your team need to do?*
- *When do you need to do this by?*
- *What do you need to bring to your mid-project review?*

Interviews

➤ When

- Week 3. A booking schedule is on AUTonline. **FIRST** consult your supervisor to ensure you book a time that works for them. Book early or your choices will be limited.

➤ Where

- WT Level 1. Wait at reception to be contacted. We make every endeavour to keep to time but sometimes we are delayed.

➤ Who

- Your whole team, supervisor, moderator, BCIS project academic leader.

Review Outcomes

- *What are the possible outcomes of a review?*

FAQ

- *What concerns you about your review interview/status report?*
- *What else do you need to know?*

Portfolios

- *What does a portfolio need?*
